Instructions

Beginner Skill Level | 2 Hours Crafting Time

1. Find clipart you like online or create your own. Use with the Custom Silkcreen Kit, following the package instructions to create your own silkscreen design.
2. Transfer circle pattern to poster board and cut out with craft knife. Cut two or three extra.
3. Referring to photo for color and placement, trace and paint circles on cover-up and visor.
4. Remove backer from silk screen stencils and position on cover-up and visor.
5. Let each design dry completely before placing another silkscreen on it to avoid smearing the paint.
6. Referring to photo for color and placement, apply Butterfly Elements using stencil brush.
7. Blend Fire Truck and Milk to create pink.
8. Heat set paint following manufacturer's instructions.
